MKSS News & Events

Hard of Hearing Group

We have had two well attended HOH group sessions; the first was a relaxed and informal discussion about all things hearing loss. The group were able to share ideas of coping strategies and the highlight of the session was several of those who attended learning how to use Live Transcribe on their mobile phones.

The August session was full capacity and a very interesting look at lipreading techniques.

[Image shows a group of people sitting around a table facing the lipreading teacher who is sitting in front of a TV screen and white board.]

Volunteers

We have had a really good response to our advert for volunteers, but we are still looking for more. If you have a couple of hours a week to spare and would like to support people who wear hearing aids, give us a call.

Parks Trust - Accessibility

We have been working with the parks Trust to look at issues of accessibility for people with sight and hearing loss in MK's parks. If you have any issues accessing their facilities, please let us know so that we can pass on your concerns.

We recently said goodbye to Debbie,

our Vision Rehabilitation Specialist. Debbie has been with us with 10 years and the MK service has benefited from her vast knowledge and professionalism. She will be much missed by the team, but we wish her all the very best for the future.
